For a map to the City Recycling center please click [here](#).

Residential Waste Pick-up

Notice: Rules and guidelines of tree and brush collections during bad weather:

The City will make every possible attempt to collect brush and tree limbs in a timely manner. Piles should be in manageable sizes. Limbs shall be stacked with cut ends facing the street. Please no criss-crossing, maximum weight of limbs not to exceed 50 lbs.

The City shall not collect tree residue or brush as a result of a private tree contractor's work. Contractor's are responsible for disposal of tree residue.

If you have any questions please contact the Public Works Department at (502) 875-8527 or (502) 352-2088. Thank you.

The City of Frankfort collects solid waste and recyclables from residential properties and recycling only for the Renaissance District downtown located within the city limits. Garbage is collected curbside and delivered to the landfill located here in Franklin County. Brush and tree limbs are collected separately from garbage and chipped into mulch. Appliances are also collected separately and shipped to a recycler. Recyclables are collected curbside and at our drop off area at 301 Rouse Avenue, where they are processed and marketed to businesses who use these materials to make new products.

SOLID WASTE COLLECTION REGULATIONS

No waste or waste containers shall be allowed to remain exposed in front of any buildings, within a public street or alley right of way, or where the sight of them would be a public nuisance for a longer time than shall be reasonably necessary for collection. The containers shall be promptly removed from the sidewalk or public right of way after they have been emptied. Waste and recycling containers shall be placed at the curb no sooner than the evening prior to collection and no later than 7:00 a.m. on the day of collection and removed that evening.
